

## Notice to Mariners No 05/25

### ARDERSIER PORT REDEVELOPMENT

#### Deployment of PAM units

Mariners are reminded that Ardersier Port is being redeveloped into an Energy Transition Facility and remains closed to commercial and leisure traffic until the works are completed in the latter part of 2025.

Major Dredging operations are planned and updated Notices to Mariners will be published as works progress.

As a part of the consenting process six Passive Acoustic Monitoring units will be deployed for approximately twelve months surrounding the Ardersier harbour area.

Five of these units will be positioned on the sea bed with no surface marking and will not obstruct vessels.

The 6<sup>th</sup> unit, marker 26-1 in position 57° 36.215' N 3° 58.698' W will be Surface-marked

These will be deployed by the work boat Harris, on or around, the 13<sup>th</sup> of March 2025.

All units will be monitored by Haventus.

Further information can be found on the Haventus website [www.haventus.com](http://www.haventus.com)

Ron Bailey

Interim Harbour Master
