

Notice to Mariners No 11/25

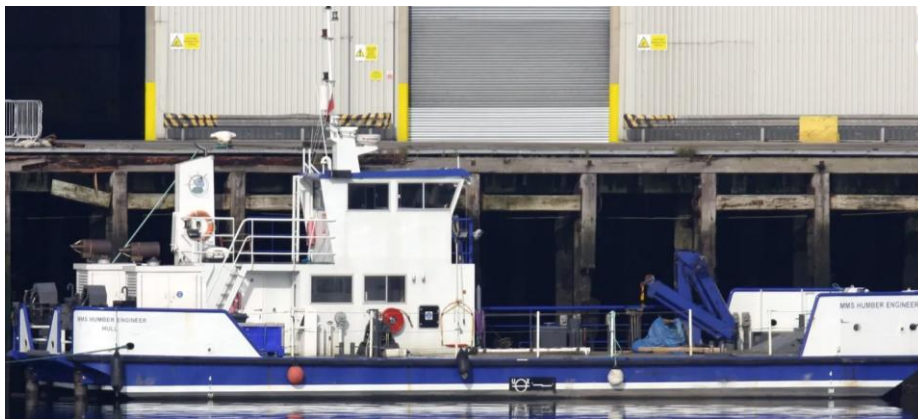

ARDERSIER PORT – Escape from sea ladder install. CFMS diving

Mariners are reminded that Ardersier Port is being redeveloped into an Energy Transition Facility and remains closed to commercial and leisure traffic until the works are completed in the latter part of 2025.

Mariners are advised that from 30th July 2025 for approximately 4 weeks, Statom Group have contracted Cromarty Firth Marine Services to dive along the quay wall within Ardersier Port, installing escape from sea ladders. They shall be diving from a vessel named 'Humber Engineer' that will be listening on VHF ch. 74 and 15.

The diving operations shall be conducted 7 days a week.

All traffic in or around Ardersier Port are advised to keep well clear and give the vessel a wide berth when passing.
